The prayer for the grant of temporary rank of Surgeon is to avoid the humiliating treatment which is being accorded to him in the field for want of sufficient claims and that for confirmation in the 2nd grade of Asst. Surgeons is in consideration of his past services in the field. These have the support of the Chief Cmdr. though not of the Senior Surgeon.

The Chief Commandant,

Through the Officer Commanding
Mysore Lancers in the Field,

Sir,

I have the honor to Submit the following few facts for favour of your perusal and Kind Consideration.

I have to bring to your kind notice that during the past twenty two months of Field Service in Egypt, I have been working under certain conditions, which having been an exception in my individual case, Compel me to approach you with a view to have them eradicated.

I am given to understand that owing to paucity of Officers in I.M.S Service, the British Government have offered temporary Commissions and thus Secured the Services of many medical officers, Some of whom my College Mates who were in Civil employ and even Some who had graduated at Bombay a Madras or Calcutta, just prior to the outbreak of War.

I have to refer to Some of these who, through having waited till an offer

was made to them and by virtue of holding a Commission in the I.M.S Service and Consequent Medical Charge of an Indian Regiment; though possessing same qualification as I do, have been given better Status whereas I, their equal in qualification as well as in holding the Medical Charge of a Cavalry Regiment, which has proved its worth under your able Command by their strenuousness and zeal when called upon for any duty, had perforce to play the unenviable rôle of an officer subordinate to the rights and privileges of I.M.S officers in general. Such of these I have mentioned above, have not only been treated as British officers but allowed the emoluments of I.M.S officers as well.

I beg to lay before you the fact, that shortly after my arrival with the Regiment at Ismailia, my name was placed in the list of M.O.s of Units stationed there for purpose of performing the duties of orderly Medical officer of the day by turn along with those of the M.O.s of Hyderabad and Patiala.

But after a time when it was known that I was neither holding State Commissions such as the Majors of Hyderabad, Patiala and Bikanir, nor the rank of a Civil Surgeon but only an assistant Surgeon of a subordinate medical service, my name, to my intense mortification, was eliminated from the list and I have been obliged to play the equivocal rôle of an officer not equal to that of an officer of I.M.S temporary.
